Office of the Principal

Dear Students and Parents:

Welcome! On behalf of the entire staff, I want to welcome you to the 2023-2024 school year! Thanks to the total efforts of everyone involved at DRMS—students, teachers, staff, and especially parents—we are committed to continuing our program of academic and behavioral excellence. This goal will be possible only if each of us continues to set high expectations and we seek to maintain academic and behavioral success as we **Grow to Glow** during this school year.

All schools have basic standards and procedures. These guidelines are designed to foster order and maintain a safe environment so that students may develop in a nurturing and organized climate. Our handbook is designed to assist you and your parents in becoming familiar with our procedures and methods of discipline and order. It is intended to serve as a guide for the operation of our school and to inform you and your parents about school policies. We encourage you to take the time to review this handbook thoroughly and discuss the contents with your parents. Please use this planner to document all homework assignments, as well as formative and summative assessments. This planner also serves as one form of **communication** between parents and teachers on pages 19-24.

Please ensure you and your parents/guardians have access to parent portal, student portal and opt into our text messaging system. Text **YES to 67587** to receive these push text alerts. It is great to have you here and we are excited for another successful school year at Dan River Middle School!

Warm regards,
Christopher E. Knick
Principal

GENERAL OPERATION PROCEDURES AND EXPECTATIONS

We have the BEST students, parents, faculty, and staff at Dan River Middle School. Our motto is “**At Dan River Middle School ... Everybody ROARS!**” Together, we will work to ensure that each and every student at Dan River Middle School achieves academic, behavioral, and social success! Every child is capable of succeeding when we work together as a family. It is our expectation that academic success is fostered in an organized and safe environment; therefore, the DRMS family has provided you with this planner to use as a tool that will help you with your organizational skills as we prepare you for success at the high school and college level. Your homework assignments should be written down daily in your planner. Parents are encouraged to use your student’s planner as a tool for communication between home and school. It is the desire of Dan River Middle School that we all work together to ensure the success of our students. **It is your responsibility to bring your planner to class each day. If your planner is misplaced or lost, the cost is \$5.00 to replace the planner.**

Dan River Middle School is a **BULLY FREE SCHOOL**. We value the unique qualities of every person and seek to foster the understanding of differences among people. In order to ensure a safe, nurturing learning environment, we encourage everyone to take a stand for what is right and to report all instances of bullying immediately to an adult. Bullying is prohibited and will not be tolerated on school premises. Students who feel they are a victim of bullying are encouraged to report any incident of bullying to an adult immediately. Any student who is found to be involved in bullying another student will be punished to the fullest extent of school and school board policy.

MISSION STATEMENT

Dan River Middle School is committed to working with families and the community to provide a rigorous program of instruction and a safe, nurturing learning environment that will promote self-respect, academic excellence, and social responsibility in the 21st century.

Together we will be successful!

BELL SCHEDULE

7:55 a.m.	Entry Bell Buses
8:10 a.m.	Warning Bell
8:15 a.m.	Tardy Bell
3:00 p.m.	Student Dismissal Begins

ARRIVING AT SCHOOL BEFORE 7:55 A.M.

Students are not to be at school before 7:50 in the morning. There will not be any teachers on duty before 7:50 a.m. Students may not be dropped off prior to this time. It is very important that students be in their classroom no later than 8:15 to avoid being marked tardy.

ATTENDANCE / ABSENCES

All students are expected to attend school 180 days in order to receive maximum benefit from the instructional program and to develop habits of punctuality, self-discipline, and responsibility. When a student is absent from class or school, the student will normally be excused when the reason for the absence is consistent with the

guidelines listed below. If the number of absences becomes excessive, the principal will require further proof or verification of the reason before excusing the absence. When a student attends an educational excursion or out of town trip, a "Request for Approval of Excused Absence for Educational Opportunity" form must be filled out in advance for the absence to be excused. If the reason for an absence does not fall within the guidelines, the absence will generally be unexcused. Any exceptions to these guidelines must be approved in advance. When a student is absent due to suspension, the absence will be unexcused. Upon returning to school following an absence, a student must bring a written note signed by his/her parent explaining his/her absence to the office. If for some reason this is not done, the student will have until the next school day to bring his/her signed note. Absences not cleared in this time frame will remain unexcused. Students who have been absent 10 or more school days during the year will not be approved for an Educational Opportunity. (*See paragraph below.)

Reasons that will normally be excused, except when excessive:

Illness (Parent must contact the school each day of an absence. A doctor's note will be required when absences have become excessive), Quarantine, Death in family, Medical appointments (must be confirmed with note from doctor), Court proceedings (statement from court required), Religious observances, Educational opportunities or out of town trips of an educational nature (must be approved in advance). Students will have three days to complete work that was missed during their absence from school. Students who have unexcused absences will not be given an opportunity to make up the work missed. This includes tests, labs and any work done in class on the day of the absence. Work done outside of the classroom by all students can be accepted. **Once a student reaches 10 days of absence, for any reason, a professional note will be required in order for the absence to be excused.**

*The 1999 Virginia General Assembly enacted new amendments to the current legislation regarding unexcused absences for students. Students, who reach a total of five (5) unexcused absences, whose parents have not given the school a reason for their absences, and the school has made reasonable effort to notify the parents of their child's absence, will be reported to the Attendance Officer/Home-School Coordinator. The officer will meet with the student and parents and develop a Corrective Action Plan for school attendance. If the unexcused absences reach seven (7) days, with no indication from parents pertaining to the reason for the absences, the Attendance Officer **must** initiate court proceedings in J & D Court. These amendments will be strictly enforced. **The Virginia Department of Education considers a student Chronically Absent when a students missed 10% of the school year (18 days during 180 day school calendar) regardless of the reason for being absent.**

When an absence is judged to be unexcused, the student and/or parent may request an appeal before the school attendance committee. This request for an appeal must be made in writing and must be received before the end of the school day following notification of an unexcused absence. If an appeal is successful, the absence will be excused and make-up work will be allowed. Make-up work will not be given prior to the decision of the attendance committee. The appeal process does not apply to suspensions. The school attendance committee will be composed of three persons; the principal, school counselor/attendance clerk and the student's homeroom teacher. This committee will meet within two school days, and, upon meeting, render an immediate decision. The decision of the committee will be final. Application of this policy to students with disabilities shall be consistent with federal and state laws and regulations as well as School Board policy regarding students with disabilities.

CHECKING IN TO SCHOOL

Tardies to School/Class – It is vitally important that students are ON TIME to school each day. Students who report to school after the tardy bell **MUST** report to the main office. He/she must sign in and have his/her name removed from the absentee list before going to class. Upon receiving the fourth unexcused tardy to school/class, the student will be assigned to **After-School-Detention**. Additional tardies to school will result in further disciplinary action by administration. Tardies to school reset after the first semester.

Unexcused Tardies - Traffic congestion, car trouble, oversleeping, missing the bus, late, etc. After School Detention will be assigned upon every 4th unexcused tardy to school each semester. ASD will be held on Thursdays from 3:30pm -4:30pm. Failure to serve ASD for two consecutive weeks will result in the student serving one day of ISS.

Excused Tardies - Doctor or Dentist appointment with a note, court note or sick with a note from the parent. If a bus is late and the student rode the bus, the student's tardy will be excused.

CHECKING OUT OF SCHOOL

Students are expected to be in school for the duration of the school day. If a student must be checked out from class during the school day, parents must follow these procedures. A note must be sent to school with the student, stating the date, time student will leave, reason for leaving and a telephone number where a parent can be reached to answer questions that may arise. The student should bring the note to the main office when he/she arrives at school. Parents, guardians or designees must produce a photo ID and sign their student out in the office when picking up students. Absolutely no student is to leave the school grounds at any time without permission from the principal's office. Early check-out is discouraged due to missing instructional time in the classroom. Excused/Unexcused policy will apply to early check-outs. Upon receiving the fourth unexcused checkout from school, the student will be assigned to After-School-Detention. Additional checkouts to school will result in further disciplinary action by administration. Tardies to school reset after the first semester. The school should be notified in writing by 2:00 p.m. if you wish for your child to change his/her normal means of transportation at the end of the school day. We cannot guarantee messages will be delivered to your child if notified after 2:00 p.m.

SMARTPASSES

Students are not permitted to leave class without approval of a SmartPass from his/her teacher. The student should go directly to the designated location indicated on the SmartPass. Students will have four passes each day to use the restroom. Parents of students who have medical concerns need to see the school nurse with documentation so that a plan can be put in place. DRMS values instructional time and will inform parents if excessive restroom time takes place during the school year.

FEES

There is a \$5.00 fee for all science classes. There is a \$5.00 graphing calculator fee for all Algebra I students. CTE and art fees are as follows: 6th grade students \$5.00, 7th grade students \$8.00 for Keyboarding, Agriculture, and Family and Consumer Sciences, \$10.00 for art, 8th grade students \$10.00 for Keyboarding, Agriculture, art, and Family and Consumer Sciences, \$5.00 for Band and Chorus.

FIRE/TORNADO/LOCK-DOWN DRILLS

Fire drills are held four times during the first month of school and once a month during the remainder of the year. Remember these basic rules:

1. Follow the directions of all adults during a drill.
2. Walk with a purpose. No talking. Move quickly and quietly to designated areas.

Tornado drills are held in February and March to prepare for the coming spring. Instructions and directions are given to each student to prepare him/her in the proper procedure to follow in the event of a tornado. Lockdown drills are held monthly throughout the year. Instructions and directions are given to students to help them follow the proper procedures. This is part of our Crisis Management Plan.

GRADING SYSTEM

The purpose of the grading system should be to assess the progress of students and inform parents of this evaluation. Evaluation of each individual is to be done in such a manner that the teacher creates an atmosphere conducive to improving the quality of work. Students should fully understand the methods of evaluation and what they can do in order to bring about improvement in the quality of their work. The parent-teacher conference is an important method utilized to improve the quality of a student's work. A report card will be sent home at the end of each six weeks grading period. Grades shall be recorded on the appropriate report card each six weeks. **A student must achieve a 2.8 or better to be considered an Honor Roll student.** Teachers in grades 6 – 8 will use number grades in the grade book. Number grades will be used to determine letter grades to be placed on report cards and cumulative records. Each student's grades shall be based on his/her achievement. Dan River Middle School uses a Standards-Based grading system where Formative Grades (classwork, homework, quizzes, etc.) will count for 40% of the grade and Summative Grades (tests and projects) will count for 60% of the grade. Listed below is the numerical grading scale for determining letter grades in middle schools.

All subjects will be graded using the following code:

- A = Excellent (90 – 100)
- B = Good (80 – 89)
- C = Average (70 – 79)
- D = Having Difficulty (60 – 69)
- F = Failing (0 – 59)

PARENT PORTAL/SCHOOL MESSENGER/CANVAS

There are several ways to be involved with DRMS and your child's grades. Parent portal is a free website and app where you can view your child's grades. Please contact the main office for a parent portal letter which has instructions on how to log into the system. School Messenger is a voice/text system to provide parents/guardians with up to date events at DRMS. Text **YES** to **67587** to receive these push text alerts. Canvas is a learning management system that teachers and staff will be using to get school information to your child. You child will automatically be enrolled into Canvas. Additional information will be forthcoming.

PROMOTION AND RETENTION

Promotion or retention of students is based on the teacher's and principal's judgment of what best serves the educational welfare of the child. Although many factors are considered when making the decision, the

responsibility and authority for student placement legally belongs to the school. **Parents are informed of student progress every 4.5 weeks**, but parents will be informed early in the second semester if there is a possibility that placement will result in retention. This information will be conveyed to the parent in writing. Absenteeism from school is one factor used to determine if a student may be promoted or retained. If a student is retained, promotion in some cases could be reconsidered if the student successfully attends and passes course work in Summer School.

HOMEWORK

Homework is an important part of the educational experience. Homework serves to strengthen skills already taught, increase learning time, provide enrichment opportunities, promote creativity, responsibility, and independence, and develop good work and study habits. All students are expected to complete their homework and can receive a formative grade for assigned homework in each class.

Responsibilities of Teachers

- assign homework appropriate for all students which focuses on quality, not quantity, and on the reinforcement and strengthening of skills
- review and correct homework to provide feedback to students in a timely manner
- provide written guidelines for long-range assignments and projects to help students in organizing their work, and to benefit parents in working with their children

Responsibilities of Parents

- ensure adequate study time
- provide an atmosphere free from disruptions; turn off the T.V. and take electronic devices
- listen, show interest and give support, but avoid doing the assignments
- communicate regularly with the child's teacher
- model behavior to stress the importance of an education and provide a home environment that will encourage learning
- review and sign your student's planner each day
- log into parent portal to check grades weekly

Responsibilities of Students

- write all homework assignments in your planner daily and dates of formative/summative tests
- ask questions in class if unsure of an assignment
- complete homework as neatly and accurately as possible
- schedule study time so that projects and long-term assignments are completed over a period of time

Request for Homework Assignments

Students and parents are urged to request homework from the school office only in cases where the student will be out of school for long extended periods of time (more than 3 days). In these cases, every effort will be made to make homework available in the office after 3:00 P.M. on the day of the request, if the request is made by 9:00 A.M. Please bring with you the student's locker number and locker combination in order to obtain materials. When an absence is judged to be unexcused, the student will not be given an opportunity to make up the work missed. This includes tests, labs, and any work completed in class on the day of the absence. Work completed outside of the classroom by all other students can be accepted. (Homework or projects assigned in advance.)

LIBRARY SERVICES

The library will be opened at 7:55 A.M. and remain open throughout the day until 2:55 P.M. You are encouraged to use the library as much as possible. From time to time it is necessary to use the library during class time to do research. In such cases, the student must have his/her teacher work out a time with the librarian. Students are solely responsible for any library books issued. Books are to be returned in a timely fashion and students will be assessed fines for any lost or damaged books.

INCLEMENT WEATHER

When inclement weather forces schools to close early, please listen to your local radio and TV stations for information. School closings are also posted on the Pittsylvania County Web Page found at www.pcs.k12.va.us and the School Messenger Notification system will be used.

LOCKERS

Each student will be issued a locker by his/her homeroom teacher for storing school materials. All book-bags, purses, and coats must be kept in the lockers for safety reasons. The lockers are the property of Dan River Middle School. **Therefore, there should be no expectation of privacy by the student. For the safety of the school community, lockers may be searched at any time by the administration.** Rolling book-bags are prohibited since they will not fit in the lockers. In order to ensure the security of a student's belongings, locker combinations are not to be shared with other students.

LOST AND FOUND

Articles found in and around the school should be returned to the office. The owner may claim his/her property by identifying it. Unclaimed items will be donated to charity at the end of each semester. **We are not responsible for lost or stolen items.**

PICKING UP STUDENTS

Only buses will enter the parking lot on the right side of the canopy in front of the school between the hours of 7:30 a.m. and 4:00 p.m. Cars will not be allowed in the bus parking lot from 7:30 a.m. until all buses unload and from 2:30 p.m. until all buses have departed. This will be strictly enforced to make sure our students are safe as they unload and board each day. In a case where a child is to be a car rider for that day only, a note should be sent with your child to the office stating that they will be a car rider that day.

CAR RIDERS

Car riders may load and unload from the entrance on the left side of the canopy in front of the school. Loading and unloading may take place along the sidewalk where the canopy is located. Parents will receive a QR Code that must be presented when picking up a student in the car rider line. When picking up students, parents should refrain from picking up students in any other area on school grounds other than the assigned loading and unloading area. **Students will not be allowed to cross to the parking lot for pick up from the car rider loading area.** Parents should follow the designated traffic pattern marked for car riders. For safety reasons, cars should not break the car rider line. Vehicles should not be left unattended in the loading and unloading zone between 7:30 - 9:00 a.m. and 2:00 - 3:30 p.m. Car riders may not be dropped off before 7:50 and must be picked up before 3:20 p.m. Teachers, school personnel, and visitors will park in the left parking lot in front of the school. It is important that we receive full cooperation from everyone to make our plan for a safe traffic pattern workable. We need to make this area of our school as safe as possible. Your cooperation will be greatly appreciated.

CHANGES TO TRANSPORTATION (CONTINGENT ON AVAILABILITY)

If a parent needs to make a change to your child's afternoon transportation plans, it must be received in writing/email no later than 2:00 p.m. on the day of the transportation change. Transportation changes **WILL NOT** be taken over the phone at any time. Only people listed on the 23-24 student enrollment form can check a student out of school.

BUS AND AFTER-SCHOOL NOTES

All notes for bus, car rider, or after-school activities are to be turned in to the main office immediately upon arriving at school. Students riding a different bus must bring a note from home giving the full name of the student, the date, and where they are to be dropped off. Due to overcrowding concerns on some buses, there may be instances where bus notes will not be approved. Students who plan to stay after school for club meetings must also bring a note from a parent with the specific activity listed along with the date and a parent signature. If the student has permission to stay after on multiple occasions, a parent can write a note with the specific activity, stating the student has permission to stay as needed. If a student is participating in a high school activity, a note must be on file in the main office giving the student permission to ride a bus to Dan River High School as needed, with the specific sport/activity listed, and a parent signature and date. Students must have a note for each specific sport/activity they may participate in throughout a school year on file in the DRMS main office.

OFFICE HOURS AND TELEPHONE

The office will be open during the day between the hours of **8:00 a.m. and 4:00 p.m.** Visitors must immediately report to the office when visiting the school. Messages and deliveries from home should be left in the office. Students will not be called out of class. The office telephone (822-6027) is to be used strictly for school business. Only in case of emergencies will students or teachers be called from class to answer the telephone. No personal telephone calls will be allowed to request items left at home. All club meetings are announced several days in advance. Students are to make arrangements for transportation in advance and not come to the office on club meeting days to use the telephone to make arrangements.

TEXTBOOKS

Textbooks are issued to each student and the book number is recorded. Students are solely responsible for their books and must return them at the end of the school year. **There is no charge for textbooks.** However, students will be charged a fee for any damage to the books or for any lost books. In the event a book is lost, the replacement cost will be that of a new book. Records, for any student transferring to another school, will not be sent until all textbooks and/or library books are returned to the school, or a lost fee is paid.

CHROMEBOOKS

Chromebooks will be for in school use only this year. Students are responsible for damages to the Chromebook issued to them if it is broken or damaged. Students are to report to their teacher any damage they see to their Chromebook as soon as possible so another one can be issued.

VISITORS

All visitors to the school are to report to the office immediately upon entering the building. Parents are considered visitors. **Under no circumstances are parents to go to the classroom without first reporting to the office.** This is for the protection of all students. Unauthorized individuals may be prosecuted for trespassing.

VOLUNTEERS

The Pittsylvania County School Board has approved the two (2) classifications for volunteers in the schools. In order to volunteer within the school, a person must clear the Level I volunteer certification. Volunteers will be responsible to complete all necessary information and paper work prior to beginning services in the schools. Interested parents may pick-up forms in the main office. Parents and Guardians are encouraged to be volunteers at the school through our parent-teacher organization. Interested persons may call the school office to offer their services.

SCHOOL CLINIC PROCEDURES

ILLNESS AT SCHOOL

In case of illness, a student must get permission from his/her teacher to come to the Medical Clinic. If illness occurs during class change, students should get permission from the teacher of the class he/she is going too. The student will see the school nurse and if it is determined that the student is too ill to remain at school, the school nurse will contact parents to pick up the student. Parents, guardians, or designees must sign the student out on the computer when picking up a student. Absolutely no student is to leave the school grounds at any time without permission from the principal's office. DRMS procedures for being ill at school through the nurse will be followed. **A cell phone violation will occur if a student uses their personal cell phone at any time for any reason.**

FEVER/VOMITING

Students must be fever and/or vomit/diarrhea free for 24 hours without medication before they can return to school to prevent the spread of illnesses.

MEDICATIONS

Any student who needs to take medication during school hours, **including cough drops**, must adhere to the following medication procedure. All medication must be brought to the school by the parent or guardian **in its original container** labeled with the student's name, date, name of medication, and dosage instructions. **Medication not in its original container will not be accepted.** The parent or guardian must complete a medical permission form and return the form to the office before any medication can be given to the student. Prescription medication also requires a medical permission form, **which includes a doctor's signature**, returned to the office before the medication can be given to the student. Please call the school if you have any questions or need medical forms.

LICE

Students who have contracted head lice may return to school when they are completely free of live lice. The School Nurse or designee will check the child upon returning to school to insure that there are NO live lice present.

CAFETERIA PROCEDURES & EXPECTATIONS

The school cafeteria is maintained as a vital part of the school health program. **The PCS CEP grant allows all students to receive free breakfast and lunch.** No student is allowed to charge for extras. No student is to go without lunch. **Fast-Food and/or Soft Drinks** for lunch are not allowed due to State and Federal regulations. However, students may bring a bag lunch from home. At no time are soft drinks allowed, even if sent as part of the child's lunch from home. Menus will be sent home at the beginning of each month to allow parents to appropriately plan for their child's lunch needs. The cafeteria is open to parents who would like to visit the school and have lunch. Parents who wish to eat lunch with their child must sign-in at the main office, and a special lunch table will be

available for the parent and child. Lunch is usually served from 11:30 a.m. until 1:00 p.m., depending on the grade level. Remember a hot lunch is more nutritious. All children are encouraged to drink milk during lunch. Chocolate and low-fat milk is also available. If your child is not allowed to have certain foods because of health reasons, notify the cafeteria manager, school nurse, and your child’s homeroom teacher. A form is available in the office concerning protocol for students with special dietary needs. This communication is vitally important to ensure the safety of students with food allergies.

Students’ behavior in the cafeteria should be based on courtesy and cleanliness. Once seated, students must raise their hand and be recognized before getting up. Students are to remain in the cafeteria until their teacher’s name is called for dismissal. Except for an emergency, students may not leave the cafeteria without permission. Students cannot take food or drink out of the cafeteria.

STUDENT BEHAVIOR EXPECTATIONS

Dan River Middle School is committed to excellence and creating a positive behavioral environment for all of its students. There is a high level of expectation regarding student behavior; therefore, we strive to create a climate that is conducive to a successful educational experience. For the 2023-2024 school year, Dan River Middle School will continue to implement Positive Behavior Intervention and Support, a research-based approach to establishing a positive school climate. The Dan River Middle School Behavior Expectation Matrix clearly defines the appropriate and necessary actions of students in various settings throughout the school day. It is expected that students’ behavior follow the ideals of *ROARS* – Respectful, Organized, Appropriate, Responsible, and Supportive. Parents are asked to discuss this matrix and expectations with their child to ensure each student has a positive and successful social and academic experience ... Because at Dan River Middle School,

Everybody ROARS!

AT DAN RIVER MIDDLE SCHOOL EVERYBODY ROARS

BUS REGULATIONS

The purpose of student transportation in Pittsylvania County is to transport children to and from school in a safe and efficient manner. In order to do this, we need the cooperation of parents, students, bus drivers, and all school personnel. Students must adhere to socially distancing mandates/mask requirements while in effect. The following regulations will help everyone understand what is expected of the students, in an effort to ensure their safety while on the bus and while waiting for the bus:

1. Parents are requested to accompany their young children to and from the bus stop, or designate a responsible person to do so.
2. Students must wait off of the travel portion of the highway until the bus comes to a complete stop, at its regular bus stop. Students should never be on the hard part of a paved road or the traveled part of a dirt road.
3. **Students should be at the bus stop at least five (5) minutes before the scheduled arrival of the school bus.** Buses are scheduled so they **CANNOT** wait for students, and drivers are instructed **NOT** to wait.
4. Students should board the bus immediately and take a seat toward the back of the bus, three (3) to a seat, where possible. Drivers are instructed to give students a chance to take a seat before moving.
5. Students should remain seated during the trip, and until the bus comes to a complete stop to let them disembark.
6. Students should never throw objects on the bus or out of windows. They should keep arms, hands, and other parts of their body inside the bus, and never out of windows.
7. For sanitary as well as safety reasons, **food and drinks** will **NOT** be allowed on buses. Lunches in proper containers are permitted if they are not opened while on the bus.
8. Band instruments and class projects should not be taken on the bus unless students can hold them in their laps. These objects must not take up space on seats, or be placed in the front of the bus or aisle. Aisles and passageways cannot be blocked and student traffic flow must not be impeded in any way.
9. Students are permitted to talk in a normal conversational voice to the persons in the seat with them. Yelling and moving around on the bus are not permitted.
10. The use of profanity or obscene and suggestive language will not be tolerated from any student or driver while on school buses.
11. Students should always obey the instruction of the driver. The driver is in complete charge of the bus while on its route.
12. Drivers are not authorized to put a student off the bus or to refuse to pick one up, unless authorized to do so by the principal of the school, Superintendent, or Director of Transportation. Students will be put off of bus either at their regular stop or at the school, not on the road.
13. Students having to cross the road to catch their bus, or to get home from bus stop, will cross in front of the bus, under the direction of the driver. They should always cross about ten (10) feet in front of the front bumper of the bus.
14. Students are permitted to ride only the bus to which they are assigned, and will be picked up and released from the bus only at their regular stops. If it becomes necessary for students to ride another bus, they

must have written statement to this effect, signed by their parents and by the school principal, and given to the driver.

15. Smoking by students or drivers on the bus **is unlawful in the State of Virginia.**
16. Pets, reptiles or any type of animal, are not to be carried on a school bus. This applies even if it is a science project assigned by a teacher.
17. Students suspended from one bus in Pittsylvania County cannot ride another bus, even if that bus comes directly by the student's home.
18. Students should accept a ride **ONLY** if parents or school officials have approved such an arrangement.
19. **NO ELECTRONIC DEVICES** will be permitted on the school buses at any time, either by the drivers or the students.
20. The local school is responsible for detecting and reporting any damage sustained to the bus by carelessness or vandalism. **The person causing damage shall be required to reimburse the school for any actual breakage or destruction of property done by such person.** Drivers shall inspect buses before and after each special trip and will report any damage to the school principal and the director of transportation as soon as possible. The drivers are responsible for the security of the bus while on a special trip.

THE FAILURE OF A STUDENT TO OBEY THE ABOVE REGULATIONS WILL SUBJECT HIM OR HER TO BE REFUSED THE PRIVILEGE OF RIDING A SCHOOL BUS IN PITTSYLVANIA COUNTY. THE SUSPENSION FROM A SCHOOL BUS DOES NOT RELIEVE THE PARENTS OF THEIR OBLIGATION TO SEE THAT THE STUDENT ATTENDS SCHOOL.

DRESS CODE

Adopted by the Pittsylvania County School Board on November 8, 2022, Pittsylvania County Schools has adopted a division-wide middle and high school dress code. This dress code is the result of recommendations and conversations with administrators, students, teachers, and parents at both the middle and high school level. Our goal is to establish a dress code that focuses on an educational environment with student success clearly at the center. We want all of our students to make good choices when it comes to their appearance. Your support is greatly appreciated.

DRESS CODE FOR PITTSYLVANIA COUNTY MIDDLE & HIGH SCHOOLS

The Administration reserves the right to determine appropriateness of dress. The following dress code guidelines will apply to all students:

1. Shoes must be worn at all times on school grounds. Bedroom slippers are prohibited. For safety, teachers may require a particular type of shoe for lap, shop, or gym activities.
2. Students shall be permitted to wear a head covering and/or hairstyle that is religiously and/or ethnically specific or significant in school. All other types of head coverings shall be placed in lockers upon arriving at school. Hats, hoods and bandanas cannot be worn in the building.
3. Headbands or head wraps are permitted but may not exceed a width of 2 inches.

4. Apparel, jewelry, accessories, visible tattoos, or manner of grooming that, by virtue of its color, arrangement, trademark, or any other attribute, denotes membership in a gang or advocates an illegal or disruptive behavior is prohibited.
5. Garments and accessories which are disruptive, pose a risk of injury, or compromise the safety of the student or others are prohibited.
6. Sunglasses cannot be worn in the building.
7. Headphones/earbuds shall be placed out of sight upon entering the building.
8. Pajamas or sleepover, costumes, and blankets are prohibited in the school building and on buses.
9. Large or bulky coats/jackets shall be placed in lockers during the school day.
10. Athletes shall not be in full uniform during the school day; uniform tops meeting the dress code may be worn.
11. All apparel must be opaque (not see-through) with no visible skin showing and cover at least two (2) inches of each shoulder and all areas from one armpit across to the other armpit down to 4 inches above the knee, both in the front and back. Shoulder straps shall be at least two inches in width.
12. Clothing may not depict, imply, advertise, or advocate illegal, violent, or lewd conduct; nudity; weapons; or the use of alcohol, tobacco, marijuana or other controlled substances.
13. Clothing may not display or imply vulgar, discriminatory, or obscene language or images.
14. Clothing may not display, imply, or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification.
15. Rips, tears, or sheer sections in clothing must be in areas other than those required to be covered in opaque (not see-through) material or be worn over opaque fabric.
16. If leggings, compression or yoga pants are worn, opaque (not see-through) apparel that is fingertip length using the longest finger on the hand of the student, both in the front and the back, must also be worn.
17. Pants must be worn at the waist. No undergarments shall be visible at any time.
18. Weapon-related attire is prohibited unless it is part of a school-sponsored club or activity.

CONSEQUENCES OF DRESS CODE VIOLATION

First offense parents are contacted and the dress code violation must be resolved. If a parent is unable to be reached or the dress code violation is not resolved, the student will not be allowed to return to the classroom and arrangements will be made for all work to be completed in an alternate setting. Any additional dress code infractions may result in further disciplinary action by administration.

CELL PHONE/SMART WATCH USE

Students may have cell phones/smart watches/earbuds on their person (not in a pencil pouch or other item belonging to the student); however, cell phones/smart watches/earbuds **cannot be seen, used, or turned on (includes not fully inside a pocket)** during the hours of school operation and cannot be visible on the campus until 3:30 p.m. or 1:30 p.m. on early dismissal days. Students may not use cell phones/smart watches/earbuds on the school bus

traveling to and from school, and cell phones/smart watches/earbuds cannot be out or visible on the school bus. Violation of this policy will result in the cell phone/smart watch/earbud being confiscated in every instance of infraction. Student must come to the main office to sign and pick up the cell phone/smart watch/earbuds at the end of school. Any electronic device with the ability to text will be treated with the same consequences as cell phones. On the first violation offense, the student will be given one (1) day of ISS; on the second offense, the student will be given three (3) days of ISS; and on the third offense, the student will be suspended for one (1) day. Subsequent infractions will result in out-of-school suspension, with the total number of days being determined by the principal.

The severity/nature of the offense may result in a student not being allowed to bring a cell phone to school for a specified period of time up to and including the remainder of the school year. Failure to comply with the request of a teacher/staff member to relinquish (hand over) a cell phone/smart watch/earbuds will automatically result in suspension due to insubordination.

AFTER SCHOOL DETENTION (ASD)

After School Detention will be on Thursdays from 3:30 p.m. until 4:30 p.m. Parents of students who are assigned to ASD will receive written notification prior to serving detention. This letter of notification will be given to the student to deliver to the parent. Students who fail to notify the principal of their not being able to stay or who fail to report to ASD will be given ISS. Students who misbehave during ASD will be suspended from school. Once students report to ASD, they will not be released from the room. Students should go to the restroom or get water before entering ASD. When detention is completed, the student will not be allowed to stay for any other after school program. It is required that students work on assignments for the duration of the detention period. Students should bring their textbooks, home practice assignments, and supplies with them to ASD. Parents are responsible for their child's transportation home promptly at 4:30 p.m.

IN SCHOOL SUSPENSION (ISS)

The education of students requires that students and teachers be provided with an environment that promotes a well-organized and orderly climate for instruction. Therefore, every effort is made to ensure that classroom disruptions and student misbehavior are dealt with in a timely and appropriate manner. In School Suspension is a classroom disciplinary program created to provide additional assistance in promoting self-discipline and decision-making skills. ISS will be used to provide time for students to reflect upon poor choices they made within the school setting and to focus on the consequences of their behavior. Assignment to ISS eliminates distractions in the classroom and school setting, ensuring that instruction can continue for other students. As a disciplinary measure, ISS is intended to provide in-school exclusion for students misbehaving in the school setting. While assigned to ISS, students are expected to use their time to commit themselves to improving behavior and becoming a positive contributor to the school environment. Parents will be contacted concerning the student's conduct and reason for assignment. In lieu of suspension from school, students are required to complete one day of school work for each day assigned to ISS in isolation. Students will not have contact with other students during the day. Any student who misbehaves in ISS will be suspended from school.

ACCEPTABLE USE POLICY (AUP)

Students who violate this policy may suffer disciplinary action including but not limited to the loss of privileges relating to the use of technology in the schools as described in the Student Conduct Policy. The AUP is available on the PCS website.

CHEATING

Mastering course work without cheating is an achievement. When evaluating student work, teachers will not give credit when it has been determined that a student gave or received unauthorized assistance. Students should do their own work and learn from their successes and failures. Any student found cheating will receive a zero on the assignment in which they were cheating.

STUDENT CODE OF CONDUCT

The Pittsylvania County School's Student Conduct Policy is intended to ensure that all students have fair access to an education. It is the Board's responsibility to seek to ensure respect for the dignity of each child. A learning environment that encourages the healthy growth and development of each individual must be free from conflict, threats of conflict or danger, and undue disruption. To that end, this code of student conduct seeks to direct student behavior based on clearly defined expectations, responsibilities and consequences. We ask that parents discuss with their children the importance of appropriate behavior and the consequences for inappropriate behavior while at school. We recognize that students are also youngsters in transition and they often act out or misbehave. We are devoted to working with students on changing their behavior. However, students and parents must know that we cannot allow one student's behavior to stop another student's learning.

Therefore, all students are expected to:

- follow the expectations for the ROARS Behavior Expectations Matrix at all times
- follow school board discipline policy and school rules at all times
- know the disciplinary actions for rule violations
- attend school regularly
- **only clear/transparent water bottles with water are allowed – no drink bottles or containers may be brought in from outside (this includes Yetis, coffee cups, flavored water with a color, etc.)**
- remain on school grounds once arriving
- have a note from a parent explaining absences for the previous day turned in immediately upon arriving to school
- **leave all electronic devices at home such as: video games, iPods, iPads, etc..., "nuisance items," playing cards, dice, or large sums of money – DRMS will not be responsible for lost or stolen items. Students who bring prohibited items to school will have the items confiscated and the parent/guardian will be required to pick up the prohibited item(s) from the main office.**
- use only their assigned locker: students are not share locker combinations, or lockers with other students at any time
- ensure cell phones and smart watches are turned off, not visible, and not used during school hours
- be expected to pay for any damage or loss to school property
- not smoke, use, or possess tobacco products (this includes any type of electronic cigarette, vape, or "Juul") on school property or buses
