	<p><b>Character word for the month: Perseverance</b>            The real test is not whether you avoid failure, because you won't.            It's whether you let it harden or shame you into inaction, or            whether you learn from it; whether you choose to persevere.            - Barack Obama</p>
